

Junior Golf Camp II

July 27-29

Our Main goal is to ignite the passion and love of the game within our students, that our instructors share and at the same time challenge these students to be the best they can be. They will leave our camp with a better understanding of their game and an increased knowledge of the mental side, goal setting and expectations for long term improvements. We guarantee an informative and fun-filled setting.

Camp Overview:

Tuesday will begin with registration at 9:30 am, students will proceed to the putting green to begin the camp. Students should report to the putting green each morning to begin each day. The rest of Tuesday, Wednesday and Thursday will be filled with on course and on range instruction, group discussions, intense practicing and psychological enhancement for a complete school environment. Afternoons will consist of swimming, videos, rules discussions and relaxation—determined by weather. Students will be dismissed each day after 1:30 pm and may be picked up from the Ironwood pool no later than 3:00 pm. Lunch, drinks and snacks are included each day.

Camp Cost is \$150.00 (per camper) or \$125.00 for more than one (related, immediate family)

Open to junior golfers age 7-17
